Meeting Location: Collierville Public Library, Second Tuesday, each month.

Greetings Corvette Memphis Club Members,

We had a great meeting tonight; the library had the air conditioning fixed and the room was cool. There were 29 members and one guest for our meeting. Thank you, Garth, for having everyone sign in.

The club participated in two car shows since our last meeting. The first show was in Millington, TN on August 29. The show was hosted by the Millington Chapter of the VFW. This was their first ever show. They were expecting around 75 cars. There were over 200 cars. This was a huge success for the VFW, this will probably be an annual show. The proceeds go to a project for Gold Star families. Gold Star represents families who have lost a family member while serving our country.

The second show was the Carl Perkins Go-Cat-Go charity show September 5 at Living Hope Church in Piperton, TN. The proceeds go to the Carl Perkins Center for Abused or Neglected Children. Corvette Memphis has adopted this charity. The club presented them with a check for \$750.00 and cash. David Lentz won the 50/50 raffle and donated it back to the charity. Thanks David. Corvette Memphis was presented with a trophy for having the club with the most participants for the show. There were about 20 club members present. The most challenging activity of the day was staying cool. Now I know why I don't live in Arizona.

The next car show will be this Saturday, September 12, at All Star Chevrolet, followed by Vettes at the Beach in Pensacola Beach, FL. Vettes on the Beach runs September 18 thru 22. Several of our members have signed up to go.

September 26 is the date for the Collierville Car Show. Corvette Memphis has helped park cars at this show for about 20 years. The club is looking for volunteers to help park cars. The show is at Central Church on Winchester Road in Collierville. If you would like to volunteer, please meet at the church at 7:15 am.

The annual Rattlesnake Saloon cruise is scheduled for October 17. Corvette Memphis will meet up with the Huntsville, AL Corvette Club for lunch and a little comradery.

It is that time of the year again, time to elect new board members or retain them. You will be receiving a phone call within the next two weeks from a member of the nominating committee. If you are interested in one of the board member positions let them know. Corvette Memphis will hold elections at the October meeting.

After the club meeting tonight, several members cruised over to the Forest Hill Grill for dinner.

Until the next club meeting, Cars & Coffee, or car show----Save the Wave.
