VETS 'N VETTES

On Wednesday we will drive to Bowling Green and have dinner - TBD

Join fellow Corvette enthusiasts and Veterans for Vets 'n Vettes 2026, a patriotic celebration of service. The event begins with a half-day of touring laps at NCM Motorsports Park, giving participants the opportunity to experience the track behind the wheel before gathering back at the National Corvette Museum for lunch.

On Friday we'll enjoy a 90 minute scenic cruise to Sulphur Wells KY, for a family style lunch at the Lighthouse restaurant

On Saturday we will take part in Bowling Green's Veterans Day Parade, followed by our return trip home

Whether you're a Veteran, a Corvette owner, or simply passionate about supporting those who have served, Vets 'n Vettes offers a unique opportunity to experience the spirit of community, patriotism, and the legacy of America's Sports Car.
